PETROLIA MINOR HOCKEY EMERGENCY ACTION PLAN

ROLES & RESPONSIBILITIES

1. Charge Person/Trainer

- Most qualified person available with training in First Aid and emergency response
- Familiarize yourself with arena emergency equipment
- Take control of an emergency situation until Medical Personnel arrive
- Assess injury status of player

2. Call Person

- Location of emergency telephone
- List of emergency telephone numbers
- Directions to arena
- Best route in and out of arena for ambulance crew
- Communicate with Charge Person and Control Person

3. Control Person

- Ensure proper room for Charge Person and Paramedics
- Discuss emergency action plan with:
 - Arena staff
 - Officials
 - Opponents
- Ensure that the route for the ambulance crew is clear and available
- Seek highly trained medical personnel (i.e., MD, nurse) to assist injured player if requested by Charge Person
- Discuss player's injury and status with parents.

IMPORTANT REMINDERS

The game official continues to assume the role of being in charge of the overall environment. It is important for officials to note that if the safety person makes the signal for assistance that there may be a number of pre-determined people who will respond and will require access to the ice. Once the ambulance is called, the officials should send both teams to their dressing rooms.
