Hello parents and Players,

U7 – U8 from 3:20 – 4:20pm

Currently the clinic is open to PMHA registered players only. If space permits, we will open registration to other groups. Each session will be limited to 20 out players. The cost per session will be \$25. If you are interested, please email me at developmentpmha@petrolia.com. Please include the players name and age as well as your email address. I will confirm receipt with a reply to the email.

Payments can be e-transferred to the PMHA Treasurer David Hogan @ treasurer@petroliahockey.com. **When e-transferring the funds please ensure to use the password Hockey2023. Also make sure to include your players full name in the comment section as well as Jr. Oiler so we know who the payment is for. For example, John Doe – Jr. Oiler. We will not be accepting payment on the day of the clinic so please make sure to make payment once you have received a confirmation email on registration.**

TPH has put on skating clinics over the past few years for PMHA as well as the checking clinics. The instructors are great with the kids, and they really know their stuff. If you have any questions please let me know.

Thanks,
Dan Wellington
